ASEF ClassNet projects awarded in Bali

The Asia-Europe Foundation (ASEF) rewarded the best online intercultural learning platforms at its 11th ASEF Classroom Network Conference on 28 October – 1 November 2013, in Bali, Indonesia.

ASEF presented Gold and Merit Awards to 6 ASEF ClassNet projects. Facilitated by secondary and high school educators from Asia and Europe, these online projects involved 73 teachers and 1,233 students from 39 schools in 19 countries.

The 6 finalists were shortlisted from a pool of 25 projects, which contended for this year's awards. The project coordinator and a student representative from each group co-presented their project during the 11th ASEF Classroom Network Conference, 'Creative Classrooms Go 4G: Teach Green, Learn Green, Act Green, Live Green', in Bali, Indonesia. The awards were presented to recognise the most innovative and sustainable online projects from among the contenders.

Each of the 3 Gold Award winners received a cash prize of EUR 2,000 to further develop their project or to create new online collaborations.

The Gold Award winners were:

- Dream Tours
- iMagz – Making Myself Heard
- International Village – Thumbs Up for SketchUp!

The other finalists were 'Chain Stories 2013', 'Let's Eat' and 'The Time Machine'. Each of them received a cash prize of EUR 500.
